SWISS DESIGN

eXplore 170 & 180

mechanical sewing machines

EASY SEWING FROM THE VERY FIRST STITCH

With their easy-to-use design, the new eXplore 170 & 180 are ideal for both first steps in sewing and everyday projects. Their intuitive controls make stitch selection and the main adjustments quick and easy.

- Easily accessible controls
- Built-in needle threader
- LED lighting
- Built-in thread cutter

ESSENTIAL FEATURES FOR YOUR PROJECTS

From small alterations to everyday creations, the eXplore 170 & 180 combine the practical features you need to sew comfortably and with precision.

- Stitch length up to 4 mm
- Stitch width up to 5 mm
- Extra-high presser foot lift
- Free arm for sewing tubular items
- Drop feed for sewing on buttons

FIND THE MODEL THAT SUITS YOUR NEEDS

The eXplore 170 combines the essential features for everyday sewing, while the eXplore 180 offers additional possibilities and adjustments for a wider variety of projects:

- **eXplore 170:** 13 stitches including buttonhole, 4-step buttonhole and preset stitch width up to 5 mm.
- **eXplore 180:** 23 stitches including buttonhole, automatic 1-step buttonhole and adjustable stitch width up to 5 mm.
