

Sew Fun

Pink, Blue & Yellow
mechanical sewing machines

THE COLOURFUL WAY TO START SEWING

Simple, colourful and easy to use, the new elna Sew Fun models are ideal for taking your first steps into sewing. Available in Pink, Blue and Yellow, they combine essential sewing functions with intuitive operation for everyday projects and first creative ideas.

- Easy stitch selection with practical dials;
- 15 essential utility, stretch and triple stitches;
- four-step buttonhole;
- clear threading path for easy set-up.

EASY SEWING FROM THE VERY FIRST STITCH

Practical features make setting up and handling the machine straightforward, so you can focus on learning, experimenting and enjoying your sewing projects.

- Free arm for tubular sewing;
- front-loading oscillating hook system;
- easy declutch bobbin winding;
- snap-on presser feet;
- two retractable spool pins;
- built-in sewing light.

ESSENTIAL FEATURES FOR EVERYDAY SEWING

From simple alterations to your first hand-made projects, Sew Fun offers the essential functions you need to sew comfortably and confidently.

- Maximum stitch width 5 mm;
- maximum stitch length 4 mm;
- adjustable stitch length;
- adjustable thread tension;
- instant reverse lever;
- extra-high presser foot lift.
